O2toDerm Facial 75 MIN - **14,400 ALL**

O2toDerm is a premium anti-aging skincare program using high extracted pure oxygen by removing active oxygen and revitalizing skin cells. This treatment provides stressed skin with plenty of oxygen to keep it looking younger – it can prevent visible signs of aging and increase skin health. Your nourished skin will have better absorption abilities which will enhance your current products ability to keep your skin young and healthy.

Microgold 60 MIN - 22,800 ALL

An innovative type of micro-needling, designed to painlessly and effectively introduce bioactive compounds into the skin, avoiding the common complications associated with conventional needling techniques. This facial uses a 24-carat gold device designed to deliver a truly costumised facial treatment using ampoules tailored to your own skin goals – creating long lasting results.

BOTEM Multi Polar RF Triple P Method Face Treatment 13,000 ALL

The Multipolar Radio Frequency energy penetrates the skin's layers to selectively heat the skin tissue and the extra cellular matrix where the collagen fibers are embedded. The local heating stimulates the collagen fibers and fibroblast cells to produce new collagen and elastic fibers. The results are tighter, smoother, younger looking skin with a visible lift.

MesojectGun 7,500 - 12,500 ALL

MesojectGun is the only needle-free mesotherapy gun. It can be used on multiple parts of the body and allows a wide variety of active ingredients to be introduced into the skin. This microchip allows reversible microchannels to be created in the cutaneous barrier of the stratum corneum, improving the penetration of active ingredients in the different layers and structures of the epidermis- stimulating cell metabolism, improving connective tissue, increasing collagen synthesis, etc.

MesojectGun comes with a MesoHair microchip, especially designed to treat the scalp and has a great effectiveness in hair loss treatments.
